

Hello John,

I am happy to award you with the enclosed check. We are Silent Knightss, a charity organization created to seek out causes and/or individuals that we are passionate about helping. In 2020 we were obviously held back from any productive fund-raising events, so we decided to allocate just about all we had to what we named our "Charity Stimulus." It's been an ongoing effort that you can read more about here <http://www.silentknightss.com/featured-event.html>

Our organization seeks out avenues where we can help people or causes. We are strict with our approach of us finding people and causes to help, not people finding us asking for help. Your situation was brought to our attention through a GoFundMe we saw promoted by a local friend. We read up on it and would like to help. Being hospitalized and out of work is something that we can only imagine what strain it brings. We hope you will find this helpful, and we hope this will bring you some bit of encouragement.

We are so happy for you that you are home at least, so please get better fast and use our award in anyway you wish.

Sincerely,

Carl Casperson
